Sub.: REGARDING ERROR & OMISSIONS INSURANCE COVERAGE

Dear Sir,

We feel pleasure in introducing ourselves "Info Doctcare Services (P) Limited" (widely known as Doctcare Services) Company Registered under the Indian Company Act. 1956. The objective to provide the complete professional protection to its members by defending their cases from lower court level to Hon'ble Supreme court level and also arrange to provide Professional Indemnity/Errors & Omissions Insurance coverage through The Oriental Insurance Company Ltd./United India Insurance Company Ltd..

It is Important to note that Doctcare Services is providing insurance cover to its member from insurance company. However, Compensation through the Insurance Company does not shield the Doctor interest as the cases should be contested with a view to maintain the dignity of the profession and establishing such precedents where it is held that Medical Science, it is lack of technical precision of drugs and tools use by the Doctor under a bonafied belief sometimes it is the carelessness of the patient sometimes a pathological error in natural course, etc.

Doctcare Services has a strong Legal Advisory board Consisting of Retired Judges and senior advocates of high Court as well as Hon'ble Supreme Court, in addition to panel of experienced lawyers, a stable shield not merely to keep a legally updated status but also contest with prompt persuasion at reasonable cost anywhere in India. Doctcare does not guarantee "success" in a case but assures methodical, industrious, truthful and result oriented effort.

Insurance company have their legal representatives too but Doctcare Services has an edge to maintain the dignity of medical profession of which it engages layers who have the command of handling medico legal cases and provides recourse of appellate remedy before State commission, National Commission or ever Hon'ble Supreme court. As such even in the worst case of compensation, Doctcare would target the quantum of award by way of reduction in it at any appellate stage.

Doctcare Services feels that such a technically specialized subject as Medical Science cannot be let loose at the hands of novice or those who do not have requisite knowledge of the subject. As such, at the time of contesting of case Doctcare equips its legal battery with the advice of medical experts along with illustrative analysis corresponding to a particular case. For this purpose, Doctcare is having strong and effective Medical Advisory Board consisting of eminent Doctors of various specialties.

It is the privilege of Doctcare Services to mention and alert all the doctors, Medical Establishments to be very serious on CONSUMER PROTECTION ACT. The day to day inventions in the Medical Sciences, introduction of new techniques of treatment and diagnosis and the new diseases that are coming up because of jet speed population adulteration radioactive atmospheric and environmental disbalances posed great challenge before the medical practitioner of today coupled with the increasing awareness of the Consumer rights by the public at large. The Doctors/ Medical Establishment should be very much cautious, as the time has come to fight jointly against the same to protect ourselves.

Doctcare Services is probably the only one its kind, full dedicated to the noble case of Medical Practitioner/Medical Establishment through its massive network manned with effective and efficient man power throughout the country, has rightly, comes forward to extant all help to its members during their aforesaid distress. Such abenevolent effort needs impetus from all the distinguished Doctors and medical Establishment. Act now. Be a member of your Hon'bale organization Doctcare Services.
